

ACH for Contributions to IRAs

PUT ACH TO WORK FOR YOU

Contributions made via Automated Clearing House (ACH) to any Pacific Premier Trust accounts are free, and you can set up automatic contributions to your IRA throughout the year. You may designate an amount of \$25 or more to be transferred from your checking, savings, or credit union account automatically on a regular monthly basis as a current-year IRA contribution.

BUILD YOUR IRA CONTRIBUTION AUTOMATICALLY

ACH provides flexibility and choice. You select how much to contribute monthly to add up to your annual contributions limit.

Annual contributions are limited to the applicable contribution amount for that taxable year or 100% of compensation, whichever is less. Refer to the table below for applicable contribution limits.

TAXABLE YEAR	CONTRIBUTION LIMIT	CATCH UP LIMIT FOR AGE 50+
2024	\$7,000	\$1,000
2025	\$7,000	\$1,000

PLEASE NOTE: Pacific Premier Trust's ACH is credited toward the current year's IRA contributions. Although you may begin ACH at any time, the prearranged contributions will apply for the tax year in which they are received by Pacific Premier Trust (ending Dec. 31). By authorizing ACH IRA contributions, you are effectively designating those contributions for the current tax year. This means IRA contributions received through ACH during the period of Jan. 1 through the tax filing deadline will not be credited as a previous calendar year contribution. ACH contributions will be discontinued for any account that transfers or terminates.
